DEVELOPMENT EXPERIENCE

FIT GENERATION | Node.JS | Express.JS | MongoDB | Materialize | Socket.io | Javascript | JQuery
- Developed an app that allows users to create their workout routines.
- Features a workout list from which users can choose to create their plan.
- Users are able to upload photos of their fitness progress.

CHARMS | Ruby on Rails | PostgreSQL | Materialize | Javascript | Sass
- Built an application on which makeup, hair, and tattoo businesses can create a gallery of their work and be found by users.
- Features a google map for users to input their location on the map and locate the nearest service provider.
- Users can search for services on a search bar.

WORK EXPERIENCE

Pasadena City College | Medical Receptionist | Pasadena, CA
May 2014 – June 2015
- Optimized patients' satisfaction, provider time, treatment, and room utilization by scheduling appointments in person or by telephone.
- Comfort patients by anticipating patients' anxieties; answer patients' questions; maintain the receptionist area.

Lees Taekwondo Center | Administrative Assistant | Pasadena, CA
Feb 2012 – June 2014
- Create and revise systems and procedures by analyzing operating practices, recordkeeping systems, forms control, office layout, and budgetary and personnel requirements; implementing changes.
- Develop administrative staff by providing information, educational opportunities, and experiential growth opportunities.
